

Kaiser Permanente Southern California Institute of Nursing Excellence (IONE)

Offering Educational Development and Tuition Assistance to California Public Hospital Nursing Professionals

Kaiser Permanente Southern California's Institute of Nursing Excellence (KPSC IONE) is partnering with Mount Saint Mary's University (MSMU) Los Angeles, Azusa Pacific University (APU), California Baptist University (CBU), and California State University San Marcos (CSUSM) to foster continuous nursing practice development and excellence across Southern California Public Hospitals.

The Institute has Scholarship Funds available to support Registered Nurses to complete their *RN to BSN Degree*. The funds include a \$5,000 scholarships and additional tuition discounts.

Applicants must meet the admission requirements set forth by the participating universities, hold a valid California Registered Nurse license, and be employed at a qualified Public Hospital in the Southern California Region.

Program participants will agree to continue to work for the Public Hospital for at least two years upon graduation.

Kaiser Permanente encourages and welcomes all qualifying nurses to apply.
